

ALINEA ENGAGE

Optimizing Care and Connection for Seniors

VIA DIGITAL TRANSFORMATION

Drive Efficiency for Therapists and Staff While Effectively Engaging Seniors & Families

Alinea handles the administrative life-cycle of your clients - automating workflows, coordinating cross functional tasks, and proactively engaging residents, patients and families to drive efficiency, increase productivity, optimize revenue, and provide a powerful, intuitive experience for all users.

At Alinea, we believe when passionate individuals are brought together to share their respective strengths, skills, and perspectives - everyone wins!

That is why we work closely with our customers to thoughtfully tailor our technology to their unique objectives and service models.

“ We are rapidly growing! **Working with Alinea has been pivotal to our success**, allowing us to efficiently expand capacity. Alinea’s workflow automation, coordination of cross functional tasks, and engagement of patients and remote powers of attorney are not only **vital aspects of our daily operations**, but **instrumental to our swiftly scaling**. And their customer service is unparalleled!
