

# Entering Canada via a Land Border

Below are the steps required to enter Canada for **fully vaccinated** Americans and Canadians via a land border.

1. Download the **ArriveCan App** and enter the information prompted

- ArriveCan will require a picture of your passport, proof of COVID vaccine and quarantine plan.
- **TIP:** If multiple people are traveling together, only one person needs to have the app - that one person can enter the information for all travelers in group.

2. You must have all of the below available at the border:

- Proof of being fully vaccinated (you are considered fully vaccinated 2+ weeks after you have received your 2nd dose)
- Passport, Enhanced License or NEXUS
- Proof of negative COVID-19 test (must be done within 72 hours of travel into Canada and PRINTED). There are only a few tests that are accepted by Canada >>> Find all accepted tests **HERE**

---

## Where to get the approved COVID-19 test...

### **KINNEY'S** various locations

Kinney Drugs is conducting asymptomatic, molecular RT-PCR COVID TESTING at numerous New York locations. Patients can schedule an appointment to get a COVID-19 TEST online, but please be sure to call and make sure results will be received in the time frame needed.

### **CONDO PHARMACY** 28 Montcalm Avenue Plattsburgh, NY (518) 563-3400

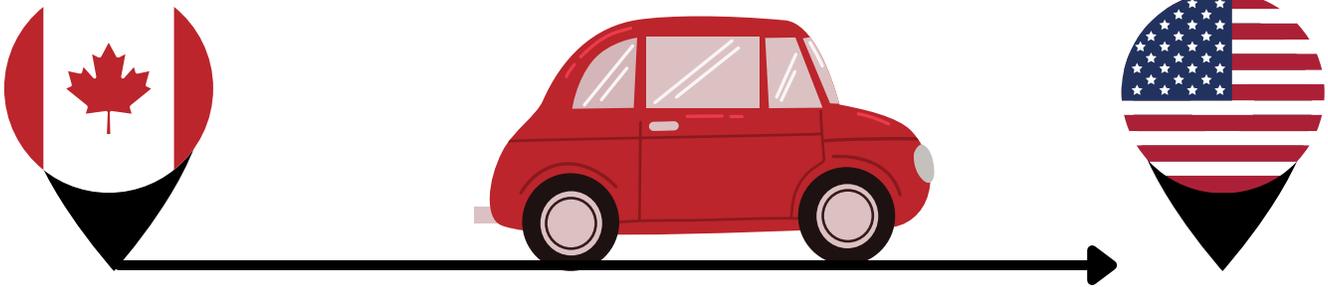

This one is not free. Cost is \$125 and you will receive results within the same day. You can book the test online and must select the Molecular Rapid Test or Abbott ID NOW test.

### **CORNERSTONE DRUGSTORE** 72 Champlain Street Rouses Point, NY (518) 297-3784

Instantly book an appointment on your mobile phone and securely pay in advance. You can receive your test and get results, all within the same day (if using the antigen test).

---

**NOTE:** When crossing the border, Canada is selecting random people to still receive covid tests. Depending on which port of entry, they will either do the test right there with the red cross OR provide the chosen individual with the test to take at their destination in Canada with a representative via virtual meeting. The individual may be required to quarantine.

## Entering the U.S. via Land Border

Below are the steps required to enter the U.S. for **fully vaccinated** Americans and Canadians via a land border.

You must have all of the below available at the border:

- Proof of being fully vaccinated (you are considered fully vaccinated 2+ weeks after you have received your 2nd dose)
- Passport, Enhanced License or NEXUS
