Prices are structured so as to be dependant as far as possible on attainment of results. Consequently, they are divided into several sections.

Inquiries: Martin Hamer 027 432 5669 or visit our website www.embryoco.com

1. Flush Price Per Donor Cow
   - For 4 or more Donors in a programme: $225.00 per donor FSH + $300.00 per donor flush
   - For 3 Donors in a programme: $225.00 per donor FSH + $350.00 per donor flush
   - For 2 Donors in a Programme: $225.00 per donor FSH + $400.00 per donor flush
   - For 1 Donor in a programme: $225.00 per donor FSH + $450.00 per donor flush

   Add $100 per flush for export jobs.

2. Fee per Embryo transferred
   - $90.00

3. Freezing and thawing
   - To freeze each embryo (NZ use): $45.00
   - Freezing for Export when available: $90.00
   - Thawing and transfer per embryo:
     - 1 to 9: $110.00
     - Above 10: $90.00
     - Up to 10: $90.00
     - Above 10: $70.00

4. In Centre:
   - You can send your donor cows to our centre in Hawke’s Bay for their programmes.
   - Charges as above except add programming and grazing charges as per our on-centre price schedule.
   - Recipients: Currently $1,960 plus $48 per embryo transferred for synchronisation costs.

5. Other:
   - The above prices do not include synchronisation drugs etc for the donor & recipient cattle, GST, travel, mileage, or, where necessary, accommodation and meals.
   - Mileage is charged per kilometre at: 75 cents

6. Export:
   - Export: We are in the process of studying the feasibility of new export centre.
   - The export prices will apply to any embryos frozen to export standard even if they are never exported. There will be additional export fees per export consignment of approximately $800.00

---

Donor cows should be examined by your vet prior to commencing the programme.
If EmbryoCo does the examination a visit fee of $30.00 plus $10.00 per donor will be charged (plus mileage).
