The Nomination Committee's motivation

The Nomination Committee has, as a basis for its proposal, interviewed all members and received a review of the company's future challenges by the CEO. In addition, the Nomination Committee has analyzed the extent to which the current Board of Directors meets the requirements imposed on it, inter alia with regard to relevant experience and competence with regard to the company's operations and future development.

The Nomination Committee has also taken note of the current Board members' views on continued engagement, where members Saeid Esmailzadeh and Katarina Lundblad Pinnekamp have declined re-election. The Nomination Committee has made the assessment that in addition to the re-election of current members who are available for re-election, it would be appropriate to supplement the Board with further experience from business and management expertise and experience of sustainability and the business areas covered by the Group. At the current number of members, six, the Board is manned for an effective dialogue. The Nomination Committee therefore proposes that the number of members shall continue to consist of a total of six members.

The Nomination Committee proposes the new election of Birgitta Henriksson and Urban Doverholt.

Birgitta Henriksson is a partner in Brunswick Group and a board member of Stillfront Group AB. Birgitta works as an advisor to boards and management regarding matters such as: strategic media positioning and capital market issues. With these supplements, the Nomination Committee assesses that the proposed Board of Directors has the versatility and breadth of the members' competence, experience and background that are required with regard to the company's operations, development phase and other relevant circumstances.
