

FOOD SAFE POLICY

SCOPE

This Policy applies to all workers performing work at workplaces under the management and control of Jolly and Sons and applies to the provision of road transport services.

Jolly & Sons transport Fish, Meats, Dry Stores, Fresh Produce either Chilled or Frozen for customers in Western Australia and the Northern Territory.

COMMITMENT

Jolly & Sons has an unwavering commitment to the provision of excellent client services and support with every transport and logistics operation.

Jolly & Sons will regularly review this policy and the associated objectives during the Management Review process to ensure its relevance and suitability to the organisation, customers and stakeholders.

Jolly & Sons maintain a Management System that fulfils the requirements of ISO 22000:2018 standard for Food Safe Management Systems and complies with all related local and statutory requirements. This is to ensure consistent best results for our clients.

Jolly & Sons is committed to regularly communicate with customers, stakeholders and staff in relation to transportation of Frozen, Chilled or Refrigerated food to ensure that they are adequately informed concerning their goods in transit.

Jolly & Sons is committed to continually improve the effectiveness of our Food Safety Management System.

Jolly & Sons will endeavour to ensure that any customer products that travel on its refrigerated services meet or exceed the customer's expectations.

Jolly & Sons acknowledge that all personnel contribute to its success and ensure that they are competent to perform the roles required to ensure Food Safety, this is done during the Induction process, Procedure reviews, Internal Audits and general communications.
