

## **Cordata Back to Work Platform**

The Institute has partnered with Cordata Healthcare Innovations to bring to your attention the newly available Covid-19 compliance tracking platform. Learn more here: [Cordata](#)

The platform was specifically designed to help you stay on top of changing guidelines and streamline your ability to detect, respond, and recover from Covid-19 exposures in your residences before it's too late.

With an established history of providing HIPAA-compliant healthcare solutions to businesses, Cordata was uniquely positioned to deliver a technology platform to address the specific operational needs of nursing homes and residential communities during this pandemic.
