

## PBG CUSTOMS CLEARANCE FEE INFORMATION

The Plattsburgh International Airport participates in the U. S. Customs and Border Protection (U.S. CBP) User Fee Airport Program. As a participant in the User Fee Program, the Airport is responsible for all costs associated with U.S. CBP operations at the Airport.

U.S. CBP implemented a substantial cost increase in July 2020 and user-fee airports could either accept the increase to maintain their facility, or decline the fee increase and terminate their participation in the User Fee Program. Clinton County, owners and operators of the Plattsburgh International Airport, accepted the fee increase in an effort to continue providing our tenants and users a seamless experience.

On January 18, 2021, a Customs clearance fee schedule was added to the Plattsburgh International Airport Rates and Charges.
