

BADGER MOUNTAIN

CERTIFIED ORGANIC VINEYARD

2018 Cabernet Sauvignon

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

TASTING NOTES

This Organic Cabernet Sauvignon boasts nice aromatics of blueberry, blackberry, that mingles with hints of tobacco and vanilla on the nose. Along with bright and rich berry flavors on the palate of focused ripe black cherry and blueberry, alongside the complexity of sweet black currant, coffee, and a touch of cocoa intertwined with a hint of spice. This leads to a nice dark fruit finish that is balanced with medium tannins and a slight touch of acidity on this very approachable Cabernet Sauvignon.

WINEMAKER'S NOTES

All the components from this great Cabernet Sauvignon were harvested in mid-October. We achieved optimal ripeness in the fruit during this relatively warm growing season with nice cool nights to maintain acidity. All the lots were fermented in upright stainless-steel fermenters with PDM yeast, with 100% malolactic fermentation was completed in stainless steel tanks.
