

PURE RED[®]

BADGER MOUNTAIN

CERTIFIED ORGANIC VINEYARD

At Badger Mountain Vineyards, we are constantly trying to make our great organic wines affordable and accessible. Each box of PURE RED contains the equivalent of 4 standard bottles, and this environmentally friendly packaging enables the wine to stay fresh for weeks after opening. PURE RED gives us the opportunity to indulge in blending a number of varietals to create a complex, satisfying, everyday glass of wine free of any additives or supplementary preservatives, including sulfites. As an aperitif, with food, or just when you feel like it...our organic wines are PURE pleasure!
