

BADGER MOUNTAIN

CERTIFIED ORGANIC VINEYARD

2019 Cabernet Sauvignon

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

TASTING NOTES

This Organic Cabernet Sauvignon boasts inviting aromatics of blueberry, blackberry, that mingles with hints of coffee bean, salted caramel, and spearmint on the nose. Alongside bright and rich berry flavors on the palate, the complexity of red currant, coffee, have a touch of rose petal intertwined with a hint of vanilla. This leads to an earth tone finish that is balanced with medium tannins and a slight touch of acidity, making for a very approachable Cabernet Sauvignon.

WINEMAKER'S NOTES

All the components from this great Cabernet Sauvignon were harvested in mid to late October. We achieved optimal ripeness in the fruit during this growing season with nice cool nights to maintain acidity. All the lots were fermented in upright stainless-steel fermenters with PDM yeast, with 100% malolactic fermentation was completed in stainless steel tanks.
