

BADGER MOUNTAIN

CERTIFIED ORGANIC VINEYARD

2019 Pure Red, 3L Box

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

TASTING NOTES

This wine opens with a great array of aromatics including dark plum and blackberry followed with lingering hints of vanilla, chocolate, and lavender on the nose. The complex dark fruit character carries through to the palate with black fruits alongside a hint of white pepper, rose petal braced by a medium tannin structure that leads into a round and balanced finish.

WINEMAKER'S NOTES

We harvested the different varietals starting in early October and carrying into the later part of the month. 2019 was a relatively mild vintage with cool nights that helped us achieve ultimate maturity in the fruit along with maintaining a great undertone of acidity. PDM yeast was used on all components with fermentation completed in temperature controlled stainless steel upright tanks.
