

2020 Cabernet Sauvignon
 100% Certified USDA Organic Grapes
 No Sulfites Added (NSA)

This Organic Cabernet Sauvignon boasts inviting aromatics of blueberry and blackberry, that mingles with hints of tobacco and vanilla on the nose. The palate has bright and rich berry flavors like black cherry and blueberries with the complexity of red currant, coffee, cocoa and spice. This leads to an earth tone finish that is balanced with medium tannins and a slight touch of acidity, making for a very approachable Cabernet Sauvignon.

NATURAL PASSION, RESPONSIBLE FARMING,
PURE WINE
