

Where are Principles needed?

Use the questions below to identify places in your organization where Decision Principles may be needed. Reflect on and discuss these questions with your team. Use this worksheet to record your thoughts.

Situation	What's happening now
Where in your organization are you wasting time or experiencing stress because the right decisions aren't being made at the right time?	
Where do people not know which way to decide? Where are there often exceptions?	
Where are there decisions that don't fall cleanly within responsibilities? Where is it not clear who has authority to make the call?	
Where are decisions being escalated even though the people on the ground know what to do? Where do decisions not get delegated that should be?	
Where do decisions get delegated and then taken back?
