

OCO004 ORGANIC SHUI XIAN 303

Organic Shui Xian Oolong

Product Description

A wiry, dark wulong with characteristics of toasty caramel and roasted nuts. A sweet aftertaste finishes off the silken texture.

Oolongs like organic Shui Xian have mild caffeine levels and contain antioxidant polyphenols and l-theanine amino acids.

Contains caffeine. Allergen free. Non-GMO.

Origin

Organic Shui Xian Oolong hails from Quanzhou, Fujian Province. Fujian province is known for producing a wide range of oolongs.

Tasting Notes

Shui Xian 303 gives a toasty, nutty flavor and caramel aromas with smooth texture. The color is bright, warm and bister. Some dark oolongs like Shui Xian 303 are also used in milk and bubble teas.
