

We at Blue Sky Bank and Bank of Cushing (“Blue Sky”) greatly appreciate the trust and confidence you have placed in our bank over the years. As we continue to monitor, plan, and implement our strategy to address the coronavirus, also known as COVID-19, we want to assure you that the safety and well-being of our customers and employees is our top priority.

We want to let you know the actions we are taking at Blue Sky at this time to protect you and our employees, as well as to ensure our continued ability to provide you with the level of service you have come to expect from us. These actions include:

- Ensuring that sufficient sanitizing supplies are available and that our janitorial partners increase their level of thoroughness in cleaning and disinfecting all our locations.
- Restricting all non-essential business travel for our employees.
- Encouraging any employee who has flu-like symptoms to stay home.
- Preparing staffing and operational contingencies to ensure our ability to deliver uninterrupted services.

Currently, all our banking locations are open and serving customers. We also have a wide range of ways you can bank with us anytime, anywhere. Options include:

- Depositing checks and transferring funds through our [mobile app](#)
- Using our person-to-person money transfer service available on our mobile app.
- Conducting transactions online at www.bluesky.bank
- Accessing [any of our ATMs](#) (free of charge) at our locations or any Transfund ATM throughout the nation. See full list at www.transfund.com/locations
- Secure Messaging through our on-line or mobile app
