

# 05 How do I read an article?

Ref: CORP-059-01 Version 1 7-Dec-20

**Task:** Read verified articles about gestational diabetes

**Previous actions taken:** Download the DBm-Health app

## Step 1

You will be presented with the **Hub** screen with a number of articles.

## Step 2

Click on the article which you would like to read and the article will open.

## Step 3

If you scroll to the bottom, there are links to additional content, which you can access by tapping on the links (internet connection required).
