

# Supersonic Rage Pro USB 3.2 Gen. 1 Flash Drives-128GB

Patriot's Supersonic Rage Pro USB 3.2 Gen 1 (backwards compatible with USB 3.0) is the ultimate portable USB for the everyday productive driven individuals that need more than just a few files. It offers super agile Read and Write speeds allowing you to productively transfer all your important photos, music, videos, large files, and your entire operating system simultaneously!

Designed with an aluminum coated housing, the Supersonic Rage Pro provides a better thermal dissipation throughout. A handy LED light indicator is included to inform you of the Read/Write progress. Backed by Patriot's customer service and a 5-year warranty, the diverse Rage Pro features multi-platform compatibility with Windows® 10, Windows® 8, Windows® 7, Linux 2.6 and later, Mac® OSX and later. Advance your system to the pro level easily with even more storage!
