

Parental Consent Form Request

Dear Parent/Guardian:

You are receiving this form because your child has expressed interest in participating in EarthEcho International's OurEcho Challenge, a global competition that mobilizes young people to solve an environmental problem affecting biodiversity in their local community. The OurEcho Challenge is administered by EarthEcho International and sponsored by Aramco Services Company.

The OurEcho Challenge provides an opportunity for eligible students ages 10–15 (working in groupings of 1-3 students) to identify, investigate, and provide a potential solution (in the form of a prototype or process) to address a biodiversity issue in their community, under the supervision of an eligible educator.

The contents of the entry are up to your child's team, but it may contain your child's likeness, image, voice or other identifiable features.

Contest entries will be judged for the opportunity to win prizes, including a trip to Washington, DC, for ten finalist teams, and up to a \$10,000 grant to support the biodiversity initiative described in the winning entry. Complete entry requirements, instructions, and prize descriptions are available at www.OurEchoChallenge.org.

What do you need to do?

In order for child to participate in the OurEcho Challenge, you must complete and sign the Parental Consent Form on the following page, and return it to your child's educator as instructed.

Your child will not be able to participate in the OurEcho Challenge without your consent.

Many thanks for your consideration,

Kasey Gaylord-Opalewski, *OurEcho Challenge Program Manager*
