# GREAT NEWS FROM DESCORCHADOS FOR DE MARTINO!

Latin America's most influential wine guide has once more singled out our wines with excellent scores, confirming the consistency of our style over time. Our two Semillon wines –one of them our new Single Vineyard La Blanca– together lead the ranking of the Best wines from Maipo Entre Cordilleras. Meanwhile, the 2020 selection from our Cellar Collection of aged wines was also very well received and our emblematic Legado Cabernet Sauvignon and Carmenere were not left out of the limelight. **We invite you to see more detail below.**
