

USANA

CERTIFIED FOR SPORT

USANA is proud to announce that 12 of our world-class products have been validated through third-party testing as certified for sport. That means you can trust these supplements have been thoroughly tested against the World Anti-Doping Agency's (WADA) list of banned substances.

WHY TRUST YOUR HEALTH TO ANYTHING LESS THAN THE USANA STANDARD?

NSF-TESTED PRODUCTS

NSF International is an independent organization that helps protect consumers by certifying products and establishing standards for food, water, and goods. Seven of USANA's world-class products** have been further validated through NSF International's Certified for Sport™ program. The program certifies that what is on the label is in the bottle and that the product does not contain undeclared ingredients or unsafe levels of contaminants.
