Charges relating to non-compulsory activities may be made throughout the year. Charges will be made based on participation in these activities and will not be applied to the school fee account, e.g. Year 12 graduation, French Exchange, various immersions and interschool events. These activities require payment in advance. Payment instructions will be provided on relevant documentation sent by the College.

Where students are enrolled in VET/VCAL subjects conducted by an external institution, the College will not pass on a charge. If a student does drop out of VET, this can only be done at the end of semester one and will incur a fee that is half of the total cost of the VET course. If a student leaves the College at any point during the year, the course can be transferred and hosted by another school. Under these circumstances the fee will be determined by the proportion of the school year left.

Families using the bus service provided by Assumption College will be billed separately to school fees.

Please note that a one term fee in lieu of notice will be applied if students leave the College without prior notice.
