

YOUR SAFETY MATTERS

@ ASSUMPTION

Everyone has rights

- Everyone has the right to be safe and be protected from abuse
- No one should behave in a way that makes you feel unsafe or afraid
- Feeling safe is not being scared and being able to live your life without fear.

I have a right to feel safe

Feeling Unsafe? Here's some things you can do:

- Tell a teacher or any trusted adult if you feel unsafe. This includes friends, family, those in your community.
- Tell a friend who can go with you to talk to an adult
- If you are concerned about someone else's safety, let a trusted adult know.
- Chat to Wellbeing to see how they can support you.
- Fill in the Student Concerns form on Simon in the Links column

Have you felt unsafe before?
What would you do?

If I was feeling unsafe,
I would speak with my
Learning Mentor, House
Leader, a Teacher or
Wellbeing.

Thanks! I might email
wellbeing@assumption.vic.edu.au
and talk to my Learning Mentor
