

Assumption College's Complaints Handling Policy Student Version 2021

Our Student Representative Councils (SRCs) were consulted on the development of this student version.

Assumption College welcomes feedback from all members of the college community and takes all complaints or concerns that may be raised seriously. This Complaints Handling Policy is designed to assist you to understand how to make a complaint.

For the purposes of this policy, we use the terms "staff" and "staff member" to include all teaching and non-teaching staff, College Council members, volunteers, contractors and external providers.

What is a complaint?

A complaint is an expression of dissatisfaction made to Assumption College, related to our services or operations, or the complaints handling process itself, where a response or resolution is explicitly or implicitly expected.

Complaints about child abuse, grooming or other harm, or other breaches of our Child Safe Codes of Conduct, relating to conduct by:

- current or former staff members
- current or former students
- other people on College premises or at College events are managed differently to other complaints.

Refer to the section at the end of this policy – Complaints About Child Safety Incidents or Concerns At or Involving the College or its Staff Members – for more information.

Assumption College's Commitment

Assumption College is committed to handling complaints effectively and efficiently. To manage complaints effectively, we have established a Complaints Handling Program in line with:

- Principle 6 of the National Principles for Child Safe Organisations, using the Office of Child Safety's "Complaints Handling Guide: Upholding the Rights of Children and Young People"
- the international complaints handling standard (ISO 10002:2018 Quality management – Customer satisfaction – Guidelines for complaints handling in organizations), and
- the Australian/New Zealand complaints handling standard (AS/NZS 10002:2014 Guidelines for complaint management in organisations).

Our internal complaints handling process is available at no cost.

Our Complaints Handling Program includes the establishment of an online complaints management system which allows us to effectively capture, manage and report on complaints.

Regular analysis of complaints received and the implementation of rectification action, where deficiencies are identified, are key to the College's commitment.

Informal Complaints Resolution

The vast majority of issues causing concern in schools can be handled quickly and in an informal manner. We therefore ask that, where appropriate, you first raise your concern directly with the relevant staff member. Even if the issue is resolved informally, all staff are required to log issues through our complaints management system so we are able to identify any systemic issues arising, and take appropriate rectification action.

How do I make a Formal Complaint?

If you have been unable to resolve a matter informally, or simply wish to make a formal complaint you can do so by any of the following means:

1. Sending an email to complaints@assumption.vic.edu.au
2. Writing a letter to the College addressed to "The Complaints Manager".
3. Telephoning the College and asking to speak to "The Complaints Manager".

All formal complaints will be logged into our online complaints management system and managed in accordance with the following procedure.

Our Internal Complaints Handling Process

Step 1 – All formal complaints are logged through our online complaints management system where they are screened by Complaints Manager or in the case of complaints against the Principal by the MSA Regional Director

Step 2 – All valid complaints will be acknowledged in writing, as soon as practicable, and allocated a status, priority and target resolution date. It is our policy, where possible, to resolve all disputes within 14 days.

Step 3 – The Complaints Officer will conduct an investigation into the issues raised, following principles of procedural fairness, and make a determination.

Step 4 – Following the determination, if appropriate, the Complaints Officer will formulate a resolution and provide a written response to the complainant. The matter will be closed if this response is accepted.

Step 5 – Internal reviews: If the initial response is not acceptable the matter will be reviewed internally by the Principal or the Principal's delegate, who may seek additional information or submissions from the relevant parties. The Principal or their delegate seek to resolve all disputes within 14 days from the date that the review process is initiated. The matter will be closed if the response of the Principal, or their delegate, is accepted.

Step 6 - All complaints received will be entered into our Complaints Register and, where appropriate, a corrective action request will be made to address any underlying processes which the complaints investigation revealed may require improvement.

Step 7 - If the matter remains unresolved, the complainant may pursue external resolution alternatives.
