about the office

Our Roswell office offers a wide variety of services from regular screenings and cleanings to restorative and cosmetic procedures and even oral surgery. Services include restorations, extractions, crown preps, dentures and root canals.

We have proudly served the Roswell community for 8 years, garnering a loyal patient base.

get to know roswell

In July of 1947 an unidentified flying object crashed outside of the town near a ranch; by the late 1970's many UFO conspiracies began to surface and thus Roswell, New Mexico became a cultural icon for anything extraterrestrial. Every year the city has a three day UFO Festival celebrating all things alien related, and UFO enthusiasts come from all over the United States to participate.

Roswell is such a famous landmark that there is even a popular CW show named after it that is currently airing!

Our office is located in the north part of town, near Target, Home Depot, Sam's Club, Walmart, and the Mall. We are also near several restaurants including Chili's, Applebee's, Rib Crib, Buffalo Wild Wings, and Red Lobster.

did you know?

Other than the famous UFO crash, Roswell is well known for being home to the New Mexico Military Institute, one of the most prestigious military boarding schools in the country.

The city is located in southeastern New Mexico about 7 miles west of the Pecos River and some 40 miles east of the Sierra Blanca mountain range.
