A public interest law organisation may be available
to assist you, free of charge.

ACCESS TO JUSTICE AND COVID-19

Access to Justice Continues! Whilst the Covid-19 pandemic requires organisations to take measures to reduce social contact, public interest law organisations are still available to provide legal advice and support on a range of issues. See below for more information on contact details and each organisation's areas of expertise. Details may change in response to ongoing developments. Last Updated: 24 March 2020
