

John Whalley proudly names Michael T. Sheil as new President of Whalley Computer Associates (WCA)

Southwick, MA, June 22, 2020: John Whalley, President and Chief Executive Officer of Whalley Computer Associates (WCA), is pleased to announce the appointment of Michael T. Sheil as the company's next President, effective June 20th, 2020. John Whalley has led the company as President and CEO for the past 41 years and will remain in his role as CEO moving forward, working closely with Sheil and the senior leadership team.

"This is an exciting time for Whalley Computer Associates as we continue to pursue opportunities for future expansion and continued success," said Whalley. "I am confident in Michael's ability to lead Whalley Computer Associates throughout the next phase of growth. His sales proficiency across our major verticals, combined with his leadership skills and strong relationships with our employees, partners, and customers makes him ideally suited to fortify WCA's continued growth and sales presence."

Sheil brings to the position a wealth of knowledge and a wide range of experience in the information technology industry, with expertise in sales for higher education, healthcare, finance, enterprise and state and local governments. He has over 32 years of experience in sales and 27 years of IT sales with WCA, most recently as a Senior Account Manager, where he was an integral part of WCA's success.

"It is an honor to serve as President of Whalley Computer Associates, as we continue to flourish in all markets of IT, with specific emphasis on our engineering, managed services and cloud offerings," said Sheil. "I am excited to continue working in conjunction with our 140 employees and customers located throughout North America and Europe."

Tom Hanson, Doug Moglin, and Paul Whalley will remain in their current roles and will continue to be essential leaders in the ongoing success of WCA alongside Sheil.

About WCA
