### STATEMENT OF FAITH

1. *We believe the Bible to be the only inspired, infallible, authoritative Word of God.*
2. *We believe that there is one God, eternally existent in three persons (Father, Son and Holy Spirit).*
3. *We believe in the deity of the Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.*
4. *We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.*
5. *We believe in the present ministry of the Holy Spirit by who's indwelling in the Christian enables us to live a Godly life.*
6. *We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.*
7. *We believe in the spiritual unity of believers in our Lord Jesus Christ.*

I have read and am in agreement with the above Statement of Faith of King's Grove School.

# King's Grove School

*King's Grove School is a unique private Classical Christian school for persons with special needs that features a multi-sensory environment in natural setting; individualized, linear Biblical based curriculum; and deeply connected Families, Volunteers, and Staff that is scalable, sustainable, and replicable.*

**Mission**

We exist to help students with moderate to severe special needs fulfill their created purpose in God's kingdom and their communities and strengthen families.

**Affirmation**

We affirm that every person, regardless of intellectual, developmental, or physical ability, is created in the image of God and therefore has inestimable worth and dignity. Excellent Christian education is mindful of Jesus's exhortation to serve and to love and "make disciples of ALL men," (Matt. 28:19-20), that the kingdom of heaven belongs to such as them (Mark 10:14), and that we are ALL equally important parts of one body (that of Christ , 1 Corinthians 12:12-27). We should seek to embrace special needs learners with the same value and intentionality as typically developing students. We are called by Christ Himself to do nothing less.

## Purpose and Philosophy

**Purpose**

In partnership with parents, and guided by the Gospel, we seek to educate students to the standards of the classical tradition, so that they may grow in knowledge, wisdom, and the love of Our Lord, and more ably use their gifts in the service of others, and for the glory of Christ and his Church.

**School Philosophy**

King's Grove School is a classical, Christian school for students with Special Learning Needs. Our goal is to provide a classical education that emphasizes and incorporates Truth, Beauty, Wisdom and instills a lifetime love of learning in each student. We strive to create an academic community of teachers and learners characterized by the high expectations according to each student's ability in scholarship and Christian character. We believe in the principles of traditional education because they are consistent with human nature and are most effective for student learning.

I have read the above and am in agreement with the above Mission, Vision and School Philosophy of King's Grove School.
