HAIR & MAKE-UP/COSTUME GUIDE

General Information

Please label everything you bring with your name

All actors should wear face powder that matches their skin tone to take shine off their faces. Please remember those wearing body mics should not have any make-up where the mic will be attached on their face.

Lead Male and Females actors will be assisted with their make-up.

For added modesty among actors:

Females should wear nude camisoles/leotards under their costumes.

Males should wear white t-shirt; if changing costumes – tight fitting shorts under costumes.

If no costumes are listed by character – everything is provided.
