

THE MAGIC OF THE SIX MOUNTAINS

MT. TZOUHALUEM, PREVOST, RICHARDS, MAPLE, SICKER, STONEY HILL

COWICHAN VALLEY PERFORMING ARTS CENTER
OCTOBER 2, 2019

Suzanne Simard Internationally acclaimed forest scientist featured in the Secret Life of Trees. Renowned for her TED Talks on the underground social networks of trees.

Dave MacKinnon Retired Registered Professional Forester, a local legend with a flair for blending the biology of the forest with humour, his books have sold more than 500,000 copies.

Suzanne and Andy will present how trees communicate, nurture, share, protect each other through root systems and underground constellations of fungi.

Qwiahwultuhw (Robert George) A Cowichan Tribes elder will speak about the interaction of people and the forest
