

Not Acceptable -Tanglers:

Please do not place the following items in the recycle bin as they will tangle up the very expensive machinery used to sort and process the recyclables: Anything stringy such as ribbon, cords, cables, hoses, tarps, chains, tubing and wires.

Not Acceptable - Hazardous Materials:

Please do not dispose of anything in the recycle bin that held any hazardous liquids, gases (propane & helium); no hazardous powders or batteries and definitely no medical waste such as needles & IV bags.

Supporting the Environment through Recycling

Not Acceptable:

No LED TVs, computers, phones, electronics, etc. No glass windows, No building materials, No doors & mirrors, No dishes (baking or eating) and absolutely nothing that is dirty as it contaminates the recyclables. We are not accepting plastic grocery bags – please recycle them at your local grocery store.

Cedar Creek Township is committed to “Supporting the Environment through Recycling.” Funding for this project was underwritten by a Grant from EGLE (Michigan Department of Environment, Great Lakes, and Energy). The Community Foundation for Muskegon County has provided an Environmental Education Grant to underwrite a portion of the print materials for this recycling project.

Our volunteer attendants will assist you with your recycling. They will accept your recycling and transfer it into the recycle bin. Should you have any questions about what can and cannot be recycled, please call us at 231.821.0014 (M – W.) We will be at the Cedar Creek Transfer Station and Recycling Center on Saturdays from 8:30 am – 3:00 pm.

The recycling by-products will be hauled to the Kent County Education and Recycling Center when the bin is full. We encourage you to visit their website at <http://www.reimaginetrash.org> where you will find a wealth of information on recycling.

Cedar Creek Township Recycling Guidelines

Cardboard:

Flatten boxes, remove plastic and foam. Packing boxes, cereal, frozen pizza boxes, cake, shoe boxes, etc. Tape and labels are OK. **No fresh pizza boxes due to food contamination.**

Coated Cartons:

Any paperboard that held liquid such as milk, soy, & almond milk, juice boxes, creamer, broth – **Rinse** -- keep caps on.

Glass Bottles &

Jars: (Must be clean) Clear & Colored food or beverage glass. Remove lids if metal – labels are OK.

Plastic Bottles, Jugs & Tubs:

(Must be clean) Rigid plastic only #1-7. **No foam or polystyrene.** Detergent & shampoo bottles, yogurt cups, milk jugs, etc. Labels are OK. Rinse & keep caps on.

Paper, Magazines & Paperboard:

Paper bags, newspapers, magazines, catalogs, junk mail, envelopes, phone books. Shred only what is necessary – put in clear plastic bag.

Metal Cans & Foil:

(Must be clean) Labels are OK. **Aerosol can MUST be EMPTY.** Clean Tin Foil. Tin Pie Plates. Please place all metals in a separate bag. **(No charge for metal products – Pandos Bin)**
