Guernsey Mind

Guernsey Mind aims to deliver a service that will promote positive mental health for the people of Guernsey. We campaign locally to improve services, raise awareness and encourage understanding.

The Guernsey Lions' Mind Centre

The Lions Mind Centre is the headquarters of the local charity, Guernsey Mind. Guernsey Mind's vision is of a society that has a positive attitude towards mental wellbeing and where the community embraces respect for all.

The Lions Mind Centre is a modern purpose-built facility discreetly set back from Arsenal Road, adjacent to the gardens of Victoria Tower. Completed in 2008, the building comprises of a main function room, one smaller meeting room, a counselling room, a fully equipped communal kitchen and toilets. There are five car parking spaces flanking the building that are reserved for visitors of the Centre.

The Centre provides a central location for mental health service users and associated organisations to meet in welcoming surroundings. It is also a regular meeting place for other agencies and charitable organisations. The building is an ideal venue for seminars, presentations and counselling sessions.

The Mind Committee, which manages the Centre, wishes to make the Lions Mind Centre facilities available for anyone in Guernsey, who wishes to increase understanding about mental health and increase access to community-based mental health services.

Centre Facilities

The Meeting Room can accommodate a maximum of 16 people. There are fold-up tables on wheels that are easy to move and stackable chairs. A clavivova sits to one side of the room and glass doors open onto a gravelled area which allows for light and fresh air to circulate.

The Green Room can accommodate a maximum of 6 people. There are fold-up tables on wheels that are easy to move and stackable chairs.

The Library can be used as a relaxed meeting room, or for use of the public computers.

Guidelines

The Lions Mind Centre acts as a base for Guernsey Mind to provide a service to the community. It is predominantly but not exclusively, for those members of the community who are experiencing mental health problems. We are proud of our building and wish it to continue to be an enjoyable space to hold meetings and events. For this reason, we wish to bring the following information to the attention of those who use the building.

1. Any group who uses the building should have a nominated responsible person to run the group.
2. The nominated person should keep a record of any event and the time of arrival and departure. Also, this person is required to make a note of the number of individuals attending the event. This is in case of a fire and for insurance purposes. We will also use this information to collect data on the use of the centre.
3. A book used to sign in and out of the centre shall always be kept in the lobby by the front door. This should be completed every time the centre is used.

- 4.** The responsible individual needs to be aware of the fire safety procedure for the building. This is displayed in the lobby along with the signing in book and is also attached to this pack.
 - 5.** When leaving the centre, users must leave it in a clean and tidy condition. Use of the kitchen requires you to wash up, dry and put away everything that was used. All surfaces should be wiped clean, in every room that has been used, and tables and chairs returned to their original position.
 - 6.** Groups attending have to provide their own tea, coffee, milk etc.
 - 7.** The centre must have all fire doors shut and the front door locked upon exiting the building. The number for the key safe will be made available to access the front door key.
 - 8.** Any defects found within the building can be logged in the black book found in the lobby so that a member of staff can attend to them in a timely manner.
 - 9.** Groups attending should also leave the wheelchair access ramp and the designated disabled parking bay clear and available for wheelchair users.
 - 10.** Smoking is not permitted in the building and any smokers must smoke on the footpath opposite the gateway or in the Victoria Tower garden.
 - 11.** In case of emergency please contact the appropriate emergency service promptly without delay.
 - 12.** Guernsey Mind's Insurance does not cover insurance for visitors. Clients that use the centre are responsible for any incidents
