- A room for each age group designed to provide the best learning outcome for your child.
- Our rooms designed with children in mind and are open, spacious and airy.
- Fully airconditioned rooms so learning, development and play can be in an atmosphere conducive to progressive advancement.
- Under twos have a specifically designed separate quiet space – this is essential for the nurturing of children from 3 months to 2 years.
- Baby can sleep uninterrupted in a temperature controlled fully monitored room.
- Milk and baby requirements are at the ready with microwave, fridge, utensils.
- Safe, ECE approved sand in their own private sandpit, fully covered.
- Under twos space is designed with safety paramount, ensuring babies are away from more active, faster moving two 'plus' year olds.
- Resources for under twos are age appropriate within this 'protected' space.
- Great supply of ever-changing resources to constantly challenge and encourage young minds.
- Over twos : - for two year olds, a private yet accessible room for teachers to assist 2 year olds as they learn to transition from nappies.
- Children can develop with other children of the same age within their room but play in an area mixing with older children.
- Black out blinds that turn the bright rooms to darkness when it is time for the young ones to have their afternoon sleep.
- Bright and airy rooms through huge glass windows that bring the outside in.
- View your baby or pre-schooler without interrupting their fun but putting your mind at ease.
- Hygienic toilets link the 3 and 4 year old's rooms - private but accessible for teachers.
- Care is fully focused and is age appropriate.
- Transitioning from one room to the next as a chid gets older is done in consultation with you as the parent and the teacher, who knows how your child is progressing.
- Management and Teachers have their finger on the pulse to give parents the very best service.

## Outside Play

- Safety is paramount for Kiddywinkles to ensure parent peace of mind.
- Boundary fencing is sturdy metal with kiddy safety locks
- Quality, sturdy outdoor equipment so children can happily climb without fear of safety
- Privacy is important - Your children can play happily outside under the watchful eye of our Teachers without being seen by the public.
- Play area is flat and safe – a huge area where 2,3 and 4 year olds can play happily together
- Plenty of shade for shelter from the sun
- Built to maximise the sun so children can play in a warm and covered space.
- Huge sandpit for the 2,3,4 year olds. High grade sand with age appropriate toys.
- Soft landings! All the play area is covered with a heavy duty soft rubberised covering to minimise any injury!
- Perfect for wet or sunny days as children's outdoor play is not hampered by any weather conditions.
- Extensive roll down exterior plastic blinds to weather proof the outside area so play can be in wind, rain or shine
