3 Liter Chardonnay Washington State

TASTING NOTES

On the nose this wine is bursting with great layered aromas of nectarine, pineapple, and Meyer lemon with a nice touch of green banana. Rich flavors of citrus, nectarine, mandarin with a hint of lemongrass sit on a nice edge of butterscotch and acidity that is balanced with a touch of richness that lingers on the bright and balanced finish.

BLEND/VINEYARD INFO

WINEMAKER'S NOTES

With harvest dates ranging from early to late September, we had a great selection of fruit from 4 great vineyard sites that have a nice variety of flavors and acidity levels that gave us a nice base to work from. All components were fermented with PDM yeast along with being fermented in our stainless-steel upright fermenters to provide great fruit character with a nice balance of acidity. No ML has taken place to maintain a nice acidity backbone alongside fresh and vibrant fruit characteristics.
