Reserve Cabernet Sauvignon Champoux Vineyard

TASTING NOTES

Exquisite layered aromatics of dark plum, black cherry and licorice, butterscotch with a hint of violets and warm earth tones. Followed by dense, savory flavors of black currant, dark fruits, blueberry, cocoa and a touch of spice that linger on this complex palate. Firm, dusty, lush tannins are balanced by a touch of oak, acidity, and earthiness on the finish. As is typical of Champoux Vineyard, this is a very elegant, yet, powerful Cabernet Sauvignon that will cellar for many years.

WINEMAKER'S NOTES

We have been fortunate to work with Champoux Vineyard fruit since 1992 and we believe it is the most intense and one of the most expressive vineyard sites in Washington State. The Cabernet Sauvignon was harvested in late September with near perfect acidity and fruit flavors. We used the pump-under fermentation process with PDM yeast to enhance the nice rich flavors you would expect from Champoux Vineyard. The wine was then aged for 36 months in 50% new French Oak barrels with the other 50% in neutral French Oak Barrels.
