

POWERS

2017

Viognier Columbia Valley

TASTING NOTES

Aromas leap from the glass with bright and engaging notes of stone fruits, vibrant green apple, and banana with an intriguing touch of floral. On the palate, layers of depth and flavor are revealed. A mouthwatering core of ripe stone fruits, kumquat and grapefruit leads to an elegant finish with hints of banana and citrus alongside a nice touch of mineral, balanced with bright acidity.

BLEND/VINEYARD INFO

100% Viognier

100% Talcott Vineyard Viognier, Wahluke Slope

WINEMAKER'S NOTES

With 2017 being a warm vintage with crisp, cool nights, the Viognier grapes came in with ripe fruit characteristics alongside a strong backbone of acidity in the late-September harvest date. The Viognier was fermented only in stainless steel upright fermenters with Elegance yeast to retain the freshness in this varietal. This is typical of our house style and neither oak nor malolactic fermentation was used.

TECHNICAL DATA

Release Date: Aug 30, 2018

Alcohol: 12.5%

Residual Sugar: Dry

Acidity: 0.70

pH 3.36

Cases: 1,200
