## Cabernet Sauvignon

Dark rich layered aromatics of black cherry, currant, and blueberries are intertwined alongside hints of spice and vanilla on the nose. This wine opens up nicely on the palate with very distinctive Cabernet Sauvignon flavors. Rich flavors of dried cherries, blueberries alongside plum and a touch of wet slate and white pepper, this wine has a nice round mouthfeel that is very balanced on the palate. The finish is medium in length with fine but sturdy integrated tannins and a nice backbone of acidity.
