

**POWERS**

**2016**

**Merlot**

Diverse layered aromatics of bright cherry, blackberries, and cedar lead into a touch of tart red fruit on the nose. With dense flavors of cassis, dark cherry, and fresh-cut herbs that linger on the complex palate, this wine has lush approachable tannins that are balanced by a nice touch of oak and spice on the finish.

A commitment to Quality, Sustainability, and Value
