3 Liter Cabernet Sauvignon

Washington State

TASTING NOTES

Diverse layered aromatics of blackberry, currant, and fresh sage along with a touch of black cherry, spice, and nice earth tones, this wine is distinctly Cabernet Sauvignon on the nose. On the palate, nice rich layers of flavors ranging from black cherry, blackberry, licorice, and plum with a slight accent of tobacco. The fruit and spice bursts onto the finish that is finely structured with a nice balance of acidity and well-integrated tannins.

WINEMAKER'S NOTES

This classic Washington Cabernet Sauvignon is a very complex wine that has great vineyard sites comprising the blend. With the grapes harvested from early October through the first part of November, the perfectly ripe fruit was balanced with near ideal acidity. All components of this wine were fermented in stainless steel upright tanks with PDM yeast. This wine has finished 100% malolactic fermentation then aged for 26 months in a mixture of 2nd and 3rd fill French Oak barrels.
