

POWERS

2015

Reserve Cabernet Sauvignon Coyote Vineyard

TASTING NOTES

Diverse layered fragrances of forest notes, blueberry, plum, and leather with an undertone of eucalyptus on the nose. These enticing aromatics lead into dense flavors of black currant, black cherry, clove and spice alongside dark chocolate that lingers on this complex palate. With firm dusty lush tannins that are balanced by a nice touch of oak, acidity and fresh tobacco and molasses on the finish, this is a very opulent and layered Cabernet Sauvignon that will age nicely.

BLEND/VINEYARD INFO

100% Cabernet Sauvignon

100% Coyote Vineyard Cabernet Sauvignon, Wahluke Slope

WINEMAKER'S NOTES

The Coyote Vineyard is located in the Wahluke Slope AVA, one of the warmer growing regions in the state with a very low amount of rainfall. This climate helps to control the vigor of the vine and enables us to ripen the fruit to the fullest potential. One of the consistencies that we have with this particular block of Cabernet Sauvignon is a very subtle mint/eucalyptus aromatic notes that are showcased with dark rich fruits in this 2015 vintage of Coyote Cabernet Sauvignon. We harvested the fruit in mid-October and used the pump-under fermentation process with PDM yeast. The wine was then aged for 36 months in 55% new French Oak barrels with the other 45% in neutral French Oak Barrels.

TECHNICAL DATA

Release Date: March 6, 2019

Alcohol: 14%

Residual Sugar: Dry

Acidity: 0.65

pH 3.80

Cases: 645
