3 Liter Chardonnay Washington State

TASTING NOTES

The nose of this wine is bursting with great layered aromas of pear, pineapple, and lemon with a slight whiff of kiwi. Rich flavors of citrus, white peach, and green apple mingle with a hint of blood-orange and mineral. These layers of fruit join on the palate together with a nice edge of lemon zest and acidity, all deftly balanced with a touch of richness that lingers on the mouthwatering finish.

WINEMAKER'S NOTES

With harvest dates ranging from late September to late October, we had a great selection of fruit from 3 great vineyard sites that have a nice variety of flavors and acidity levels that gave us a nice base to work from. All components were fermented with PDM yeast in our stainless-steel upright fermenters to provide great fruit character with a nice balance of acidity. No ML has taken place to maintain a crisp backbone alongside fresh and vibrant fruit characteristics.
