

**Let's Build
Today.**

Let's Build Good Jobs.

**Let's Build
Tomorrow.**

Let's Build Fairness.

**Let's Build
Canada.**

Let's Build Infrastructure.

**This election is too important for Canadians to sit on the sidelines.
We must act now.**

**In the last federal election, 23 ridings
were decided by less than 1,000 votes,
and four were decided by less than 100.**

Let's Build Canada is a coalition of building trade and construction unions representing workers from thousands of communities, large and small, in every province and territory. We're coming together to call on Canada's leaders to build the infrastructure we need to confront climate change, and to build a fairer, more equal economy - an economy that works for Canadian workers.

Authorized by Let's Build Canada, LetsBuildCanada.ca, 888-659-4369.

COMMIT TO VOTE ON OCTOBER 21ST
