END OF SCHOOL YEAR 2021

Usually, this time of year our YR & Y2 children are busy completing end of year assessments, but this year as national assessments are not taking place we are able to continue with our GROWTH (catch-up programmes) until the end of the year. You can find out more about GROWTH from the school website. So here we are at the final term, and it is hard to believe that in just a few weeks we will be saying goodbye to our lovely Year Two children and then welcoming new families to our school again. Shortly we will be

holding welcome evenings for new parents and soon begin a programme of transition during which all children will be able to spend time with their new teachers. For now, I hope you enjoy the weeks to come, as we have lots of lovely activities planned before the Summer break. All we need now is more lovely sunshine!

END OF TERM LEARNING

This year has really flown by and we are really looking forward to all of the fun learning that will take place in Term 6 – the final term of the school year!

For the first five weeks of term children in Reception will be learning all about Under the Sea, Year One will continue their topic 'Wonderful Nature' and Year Two will be learning all about Space and Planets.

KEY DATES

This is a busy term and we are fully hoping to be able to invite you back into school to celebrate the end of term, so please digest the dates in the 'Key Dates' listed in the left hand column. We really hope that we will be able to go ahead with these plans unless otherwise instructed by the government.

TRANSITION TIME

The plans for children making their transition from Nursery to Reception, throughout Infant school and onto Key Stage Two are carefully underway. Shortly, you will know who your child's next teacher will be. Exciting times!

Throughout June and July, our Pastoral team will be taking small groups to the Junior school to ensure children familiarise themselves with their new school. We work very closely with the Juniors to ensure the transition is as smooth as possible.

In July our Reception and Year One children will be visiting their new teacher and classes—This is a very busy and exciting time for us all.

THANK YOU

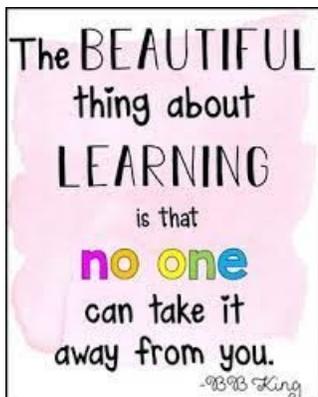

A heartfelt thanks for working with us during this really tricky year!

A child's life is like a piece of paper on which every person leaves a mark.

AFTER SCHOOL CLUB

Please note there will be **NO** After School Club on 21st July 2021

NUT FREE SCHOOL

We are a NUT FREE setting so please can you take care not to put any food in your child's lunch box that contain nuts, this includes Nutella and any other spreads that contain nuts. There are nut-free chocolate spreads available in the supermarkets. Thank you all for working with us to keep children with allergies safe!

ATTENDANCE

Please help us to get the best attendance ever for Term 6. As you know we have been working so hard to improve attendance and currently our overall attendance figure is 96%. We are pleased with this especially given COVID, but please continue to try your best to help us reach 97% - that would be brilliant!

CELEBRATION OF WORK

It was lovely to see many of you at the recent parent meetings. Our June consultations are fairly light touch and really about sharing targets for the rest of the school year.

We are however, really looking forward to inviting you in for a celebration of your child's work on Monday 19th June, when school will be open for you to look at classroom displays and your child's work from this year.

ONLINE UNIFORM SHOP

Our online uniform shop is now live on the home page of our website www.westriseinf.co.uk

To ensure you receive all uniform by the start of school in September, your order must be placed by the **1st August 2021**.

We do have a limited stock of uniform in the school office should you wish to purchase from us. Please contact us with your requirements as soon as possible.
