vegetable protein, jojoba butter & colza
plant extract

300ml, 900ml

hydra-curl

leave-in moisturiser

- for all curl types
- intense hydration & shine therapy
- deeply softens & reduces frizz

🌿 **natural technology**
macadamia oil, jojoba oil, & quinoa
protein

150ml

curl ctrl®

defining crème

- for all curl types
- deep hydration & humidity protection
- soft to touch non-greasy curls

🌿 **natural technology**
macadamia oil, jojoba oil, quinoa protein
& vegetable protein

150ml

curl refresher

leave-in revitaliser

- for all curl types
- lightweight moisture & shine
- revitalises dry matted curls

🌿 **natural technology**
macadamia oil, jojoba oil, quinoa protein
& vegetable protein

180ml

fortify

repair & strengthen
for damaged & distressed hair

the fortify range works to deliver intensive repair, strength, hydration and protection to renew hair from the cortex to cuticle. fortify restores internal strength and elasticity, rebuilds surface protection to help prevent breakage, seals split ends, adds shine, body and movement.

repair

sulphate free shampoo

- repairs overworked & distressed hair
- cortex repair & reinforcement
- reverse the signs of damage

🌿 natural technology

qws complex - quinoa, wheat & soy proteins

300ml, 900ml
