

8(A) CERTIFIED TRIBAL ENTERPRISE

Makwa Global, LLC was formed to offer government agencies a new approach to Tribal Enterprise capabilities. Led by our CEO, a member of the Tribal Community and leader of a well-established federal contractor, our seasoned federal contracting experts have a visionary approach and strategic attention to detail that our customers can depend on.

Makwa companies are certified under the Small Business Administration's 8(a) contracting program, and offer a diverse set of capabilities. Our companies' certification strategically empowers our partners to focus their time and effort within their industry and on their products.

A New Approach to Tribal Enterprise Capabilities for Government Agencies

Security Services: For over 30 years, our team has provided tactical and creative solutions to vital assets and infrastructure in locations throughout the world. We deliver static security, licensed law enforcement officers, crisis management, fire protection and training to meet each client's needs.

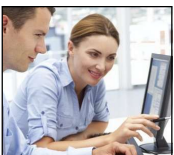

Training Solutions: Whether in a classroom, training facility, workshop, or field-based exercise, Makwa offers training best tailored to meet each course delivery. We offer the full realm of military, law enforcement, antiterrorism, and capacity-building training.

Construction & Facility Services: We manage the building of substantial government, commercial, residential, and industrial construction endeavors, as well as the maintenance and facility services to support these facilities post construction.

IT & Cyber Security: Our team has over 75+ years of collective experience in IT management, engineering, and development and is dedicated to continuous advancement in a field that changes daily.

Professional Services: Our team provides a diverse set of capabilities, experience, and history including administrative staffing, office administrative services, medical staffing, temporary staffing, and advisory/consulting services to clients.

Communications: We produce and distribute a wide variety of materials and messages including print-on-demand, warehousing and fulfillment, and variable data print give us the ability to design hyper-creative, high-quality direct marketing pieces and campaigns.

Logistics & Procurement: For over 26 years our team has managed logistics for companies spanning the globe providing solutions for a full array of services including supply chain management, warehousing, project management, fulfillment, dispatch services, food service management, and customized solutions.

Travel Services: We provide a comprehensive portfolio of travel-related services for government and corporate travel management.

Makwa Global (pronounced: 'mahk-wah") is a Tribal Enterprise, led by a proud member of the Tribal Community. Makwa Global and subsidiaries are SBA 8(a) certified Tribal Enterprises owned by the Mille Lacs Band of Ojibwe. Nestled on the edges of Mille Lacs Lake since 1745, the Mille Lacs Band of Ojibwe has called this region home. Although most of the reservation land that was granted to them by the U.S. Government was taken away, they have been able to maintain their history and traditions. Determined, proud, and resourceful as a people, they have been able to preserve their rich culture for hundreds of years. The Mille Lacs Band of Ojibwe, through Mille Lacs Corporate Ventures, now owns over 30 businesses worldwide, employs nearly 5,000 people and is the 40th largest employer in Minnesota. Makwa is proud to represent the Mille Lacs Band of Ojibwe and offer the government a new approach to Tribal Enterprise Capabilities.

GLOBAL PRESENCE

Makwa maintains a presence throughout the world by strategically positioning business development and seasoned operations personnel in regional offices around the globe. These offices are complemented by Makwa's strategic partners.

CUSTOMERS SERVED

Our senior leadership team has been working with government agencies for over a combined 75 years of experience. These agencies span every industry and corner of government.
