

September 1, 2020

Dear PCS families,

We are so grateful for the start of the 2020-21 school year! It was wonderful to have the students back in the building and to have the community of PCS back together! Praise God.

As we get started, we want to continue to communicate with you and answer questions that you might have. Today's video covers using data to assist us in making decisions on levels, increased safety through fresh air intake/filter changes, what would distance learning look like, and announcing the launch of our new website this week which will include all of our information regarding COVID-19. If you have additional questions, please send them to [info@parkchristianschool.org](mailto:info@parkchristianschool.org)

Col. 3:12-17 - Therefore as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity.

Thank you for your partnership, flexibility, and grace as we move through this school year and our consistently changing re-entry plans and information regarding COVID-19. Please click the [link](#) to view the latest video.
