

# 4-6 DISTANCE LEARNING PLAN

AS WE PREPARE TO BEGIN THE 2020-2021 SCHOOL YEAR, WE ARE FILLED WITH EXCITEMENT FOR THE DAYS TO COME. WE LOOK FORWARD TO TEACHING AND SHEPHERDING YOUR UPPER-ELEMENTARY STUDENT THROUGH THE IN-PERSON SCHOOL DAYS WHILE ALSO BEING PREPARED FOR INDIVIDUALS OR WHOLE GROUPS TO BE ABSENT FOR SHORT PERIODS OF TIME. THIS AGE OF STUDENTS HAS UNIQUE NEEDS COMPARED TO OUR OLDER AND YOUNGER STUDENTS. IT IS OUR HEART TO MEET THOSE NEEDS WITH GRACE AND LOVE. PLEASE PRAY FOR OUR ENTIRE SCHOOL AS WE NAVIGATE THESE UNKNOWN WATERS TOGETHER.

Scenario	Teacher	Student	Parent
A 4-6 student is asymptomatic and quarantined due to COVID-19.	<p>The teacher will post lessons and assignments in Microsoft Teams within 24-hours of the lesson being presented in the classroom. The lessons may include independent readings, teacher recorded lessons, or video links... to name a few of many options.</p> <p>The teacher will schedule a video chat with the student to provide directions and answer questions at least every other day of the absence.</p>	<p>The student will complete and turn in the assigned work in a timely manner - to prevent falling behind.</p> <p>The student will communicate with their teacher through Microsoft Teams - attending scheduled video chats and messaging with questions that remain after reading the directions thoroughly.</p> <p>The student will submit assignments that are clear and easy to read.</p>	<p>The parent will help keep their student accountable to the assigned work—encouraging communication between the student and teacher as necessary.</p> <p>If you do not have an available device for your student to use while quarantined, please contact Brook? Amanda?</p>
A 4-6 teacher is asymptomatic and quarantined due to COVID-19.	<p>A substitute teacher will be brought in for the period of the quarantine. The classroom teacher will be home preparing sub plans and recorded lessons for subjects like Math and English. A video chat between the class and the teacher may be scheduled as needed.</p>	<p>The students will treat the substitute with respect and maintain a high level of care and responsibility.</p>	<p>Parents will continue to be the encouraging and supportive parents that they always are.</p>
The whole class or whole school is quarantined for a short period of time.	<p>The teacher will implement a block schedule for whole group distance learning, allowing for 4 subjects per day. The teacher will present 1-2 synchronous (live) lessons each day.</p> <p>The lessons will post lessons and assignments in Microsoft Teams.</p>	<p>The student will complete and turn in assigned work by the assigned due date—same expectations as when we are in the classroom.</p> <p>The student will communicate with their teacher through Microsoft Teams - attending scheduled live lessons, video chats and messaging with questions that remain after reading the directions thoroughly.</p> <p>The student will submit assignments that are clear and easy to read.</p>	<p>The parent will help keep their student accountable to the assigned work—encouraging communication between the student and teacher.</p> <p>If you do not have an available device for your student to use while quarantined, please contact Brook?
