

9/10/21 Update

Hello PCS families!

It is so wonderful to have the students back in the classrooms and hallways of our school. What a great start to the school year! Attached to this email is a video link for an update at PCS. Thank you for taking the time to view today's video that covers our first weeks of school and our school opening plan. We are blessed to partner with you!

Hope to see you afterschool as our Football team takes on the UH/NCE Titans at 4:30.

Please click [here](#) to watch the video.

If you have additional questions, please send them to info@parkchristianschool.org.
