Selection Criteria

Studio Wayne will make its decision regarding submissions based on the following criteria:

Costumer's theatrical experience

Studio Wayne is interested in providing top-notch training for our students. We look to hire trained practitioners, who are interested in sharing their knowledge and skills with our students.

Costumer's experience working with Studio Wayne or the Wayne Theatre

The creatives at the Wayne Theatre believe in creating a collaborative theatrical experience. Understanding that process is helpful and will certainly help your application but is not required. That said, we love to share our process and collaborate with new artists. Artists new to Studio Wayne and the Wayne theatre are encouraged to apply!

Costumer's experience working with young artists.

Experience working with children is a must! Studio Wayne provides educational experiences for students of all ages. We value our young artists and want to make sure that we are pairing them with creatives who value them for the artist that they are while also being able to work with them at a level with which they are comfortable.

Costumer's People Skills

Studio Wayne and The Wayne Theatre pride itself on being a safe and inclusive space for artists. We insist that the creatives that work with us show kindness and respect for all members of the creative team, crew, and cast.
