

ESE 099-700 Finish Hand Seamer

For double locking the 11/16" (0.700") wide standing seam

- Double lock hand seamer
- Forms the 180 degree bend
- For hard to reach places
- To start or finish (or an entire roof)
- Lightweight and easy to use
- Will not scratch or peel paint
- Note: before using this tool, prepare the seam with the 001-700 to a single lock bend
- Made in the USA
