FAMILY OWNED SINCE 1952

Bob Rulfs arrived in Peru on March 19, 1952 from the small town of Valhalla in Westchester County. A recent college graduate, Mr. Rulfs dreamed of owning a small dairy farm - and this one happened to come with 12 acres of apple trees!

From that seed Rulfs Orchard has grown and diversified into what you see today, offering fresh baked goods, flowers, and a variety of seasonal produce grown right here. We cannot wait to welcome your group to the farm!
